H O B B I E S / I N T E R E S T S

I play Rugby for 2 teams, Huddersfield University and Baildon RUFC. I play in the Centers as a back, this means that I am involved with planning and executing moves on a regular basis. The pace of the game can often require quick thinking and sudden changes to the original strategy, I love this as it allows me to be able to think on feet my feet and react quick. In addition to this we also have to defend, this requires a lot of team work and communication to make sure we get the victory. I am also head of social media for Huddersfield University Rugby, this has required me to improve my time-management and photoshop skills.

Scouting has been part of my life since I was 6, I am now a Scout leader for Menston St Johns Scout Group, which has required me to complete a variety of modules, ranging from how to plan an evening to dealing with difficult situation. I regularly lead activities which can range from Remembrance Day wreathes to orienteering, all activities come with a different challenge which I have to overcome.
