

OLIVIA PARSONS

INTERIOR DESIGNER

Personal Profile

I am a highly motivated and hardworking individual, having recently finished my final year at the University of Huddersfield, studying Interior Design. After completing my placement year and gaining so much knowledge, I am looking forward to securing a job as an Interior Designer where I can continue to build upon these skills and form great relationships with clients and suppliers.

Having had a passion for Interior Design from an early age and a keen eye for detail, I enjoy creating functional spaces and am really looking forward to taking my passion into a successful career as an Interior Designer.

Employment/Work Experience

Placement Year at Nanu Soda, Wakefield 2021 to 2022

Liaised with clients and suppliers, produced technical drawing packages and created sampleboards.

Work Experience at Newman Gauge, Birmingham 2021

Developed AutoCAD and Photoshop skills further and put sampleboards together for clients.

Work Experience at Creative Group, Lichfield July 2018

Taught a basic understanding of AutoCAD and SketchUp.

Education

University of Huddersfield September 2019 to July 2023 BA(Hons) Interior Design with Sandwich Year

Recently completed a four-year course (including a placement year) with the opportunity to gain industry ready knowledge in CAD software and interpersonal skills including motivation to meet deadlines, responsibility and teamwork. I studied a variety of modules with the ability to design a range of spaces, including retail, hospitality and hotels. This has allowed me to realise I would like to specialise in the hospitality industry.

Alderbrook Sixth Form College, Solihull September 2017 to June 2019

Studied A Levels:

Art and Design: Grade C, Business: Grade B, Economics: Grade C, Core Mathematics (AS Level): Grade A

Alderbrook Secondary School, Solihull September 2012 to June 2017

Studied and passed 11 GCSE's with Grades A – C (including Mathematics and English)
