PROFILE

An adaptable and dependable University of Huddersfield student who shows determination, dedication and conscientiousness in all work, education and extra-curricular activities.

EMPLOYMENT HISTORY

June 15 – August 19 JCC Camp Chi Lake Delton, WI. USA
High Ropes Course Supervisor and Logistics Coordinator
(full-time seasonal)

Outline: Ropes area supervisor for a large overnight summer camp that caters to campers of all ages and backgrounds, as well as a vacation resort for families and groups.

Key Responsibilities:

- Lead groups of 10-15 children aged 7 to 16 years in organizing team building and “get to know you” games.
- Belaying and facilitating the participants while they completed various high rope activities such as Zip-lining and Leap of Faith to name a few.
- Climbing the 45ft poles to set up our belay and event equipment.
- Creating and running themed activities and climbing lessons for participants of all ages and abilities, as well as running our events for families and groups on summer vacation.
- Supervisor responsibilities including organizing work/ shift schedules for my area as well as day to day management of my team.
- Logistic operations involved individually directing the collection and distribution of over 700 luggage bags for camper arrival and departure, which involved over 40 members of staff and 5 vehicles.

Sept 18 – March 19 ID Berlin Berlin. Germany
Intern Designer

Outline: Member of a team of industrial designers who work internationally on the design and manufacture of electrically motorized vehicles such as motorcycles and e-bikes.

Key Responsibilities:

- Creative research and idea generation for various features of vehicles and their parts.
- Presenting work to directors and clients.
- Collaborating with other team members on a range of projects and design solutions, using skills such as sketching, CAD modelling, rendering, graphic design, and manufacturing.

WORK EXPERIENCE

- West Yorkshire Police:
My responsibilities included shadowing officers and maintaining conduct when in the workplace and when in liaison with members of the public. This included speaking to residents in a neighborhood about what they felt could make their area a safer place. I felt this experience greatly enhanced my ability to adjust to unfamiliar and challenging surroundings, while maintaining a demeanor that instilled trust from the community.

- St. Luke's CE Primary School:
My responsibilities included helping the children with their work, which involved me having to adjust how I communicated to the younger children so they could understand what I was explaining. I also had to perform multiple clerical jobs by following specific instructions given by staff detailing what and how jobs needed to be done.

EDUCATION AND TRAINING

- Level 1 Challenge Course Certification and Climbing Wall Certification from ABEE held for 5 years

University of Huddersfield:

- Currently studying BSc Product Design (4years)

Notre Dame Catholic Sixth Form College:

- ICT BTEC Level 3 (6 unit) graded Distinction*
- Art graded A
- Product Design Graded C

Abbey Grange CE Academy:

- 10 GCSE's graded A to B including Math, English and Science
- BTEC Sport graded Distinction*

KEY SKILLS

- IT skills: Fully confident in Microsoft Office package including Word, PowerPoint and Excel. Confident using Access creating databases with multiple tables and relationships.
- Very Comfortable using Adobe Package; Photoshop and Illustrator specifically.
- Organization demonstrated through undertaking constant coursework and achieving a high grade.
- Written and verbal communication built up from various roles and working experience.
- Self-motivation, independence and responsibility from working abroad in the USA and Germany.
- Strong customer service from interacting with clients in a range of professional situations and building relationships over time.

AWARDS AND ACHIEVEMENTS

- School Prefect 2013-2014 (years 10 and 11)
- Best attainment award in Design Technology: Graphics (July 4 2012)
- Note of outstanding work at JCC Camp Chi
- Award for staff of the summer at JCC Camp Chi given by the director and other full-time staff members
- Award voted as best supervisor at JCC Camp Chi
- 2 times team winner for Varsity Bouldering Competition

HOBBIES AND INTERESTS

- Outdoor/ indoor climbing and bouldering, where I regularly climb in various venues local and around the world. This sport allows me to demonstrate and develop my determination and problem-solving skills, while also showing my ability to communicate with others showing teamwork and leadership by guiding other members as they climb. It also exhibits my ability to work under pressure and to trust others.
- Hiking and Backpacking. I am a keen traveler and have visited various countries including around half of the United States, Canada and multiple European Countries. Being in these foreign environments for long periods of time has greatly developed my personal confidence and independence, while also enhancing my ability to adapt to unfamiliar surroundings.
