University of Huddersfield

2016 - 2020

#### Business diploma level 3

Bradford College

2015 - 2016

#### A-levels

Grange Technology College

Product Design

Double Award ICT

2013 - 2015

#### GCSE

Grange Technology College

8 GCSE. Including Maths, English and Science.

2008 - 2013

### EXPERIENCE

#### Wallace and Cameron

2018

- Identify current problems users face with existing Wallace and Cameron first aid kits and it's contents.
- Design concepts for stakeholders and develop it further for manufacturing.

#### Design for Plastic

2017

- Looking at current market trends and designing products made out of plastic that will enhance the pleasure of gardening and leisure activities within the garden.
- Worked as a team to tackle multiple issues and presented our findings to create a product that would assist the elderly with their needs.

#### Design Against Crime

2017

- Exploring issues as to why doorstep criminals target the elderly.
- Designing a product that would prevent a doorstep criminal from targeting the elderly and the vulnerable.
- Worked closely with the West Yorkshire Police to make a feasible product as well as gaining feedback on the final idea.

#### Gardman

2016

- Designing and enhancing current products sold by Gardman to attract younger individuals to take an interest in gardening.
- Worked in a team to generate concept ideas and selected the strongest design which had met the design brief set by the company.
- CAD models were generated to create photo-realistic renders on Keyshot.

#### Leaflet and Logo Design

Summer - 2016

- Designed logos using Photoshop for start-up companies such as Ruby Events.
- Created leaflets and flyers for charities (LifeCare UK) that would allow them to get the message across.

#### Team Leader- Youth Club

2014 - 2017

- I was appointed as the head of the local community centre for organising and setting up activities for the youth.
- New ideas needed to be adopted to encourage the youth to part take in group sessions that promoted learning and acquiring new skills.
